SUSTAINABLE FUTURES SPEAKER SERIES

Tasha McKee

Water scarcity: culture change and learning from nature in the Mattole headwaters

Thursday, October 25

5:30 - 7:00 pm in HSU Siemens Hall 108

Tasha McKee is a fourth-generation Mattole Valley resident. She served on the Sanctuary Forest Board of Directors from 1997-2002, serving as board president in 2002. Since 2003, she has been the Sanctuary Forest's Water Program Director.

McKee has pioneered collaborative approaches to address water scarcity in the Mattole headwaters and played a key role in the development of the Mattole Flow Program — including practical solutions development, funding and implementation, community and landowner outreach, monitoring and research, and education on the low flow issue.

The Sustainable Futures Speaker Series is sponsored by the Schatz Energy Research Center, the Environment & Community graduate program, and the College of Arts, Humanities & Social Sciences at Humboldt State University.
