GREENING OUR CAMPUS: An Introduction to Energy Auditing

In this intensive workshop, you will learn how to perform energy efficiency audits of residential, commercial, and office environments. These skills can be applied to saving energy and money (as well as reducing carbon emissions) on campus, at home, and on the job.

Topics will include:

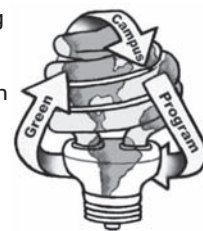

- Energy auditing techniques
- Basic energy efficiency (EE) theory
- Hands-on training with EE tools

<i>date</i>	Thurs./Sat., Feb. 5-7
<i>time</i>	Thurs., 7-10 p.m. Sat., 9 a.m.-5 p.m.
